You will note that I collect full names (full maiden name of female), dates of births/marriage/deaths and places of births/marriage/deaths/burial. For places I like to include town/county/state and the name of cemetery. It is not essential to get all of this but a good family record has as much of it as possible.

One of our challenges is to get these master outlines into a digital format. This would be a huge step forward. We'll get to it if money and time allow.

In addition to the master outlines I have several dozen file cabinets filled with BIOFILES for many thousands of individuals - census, correspondence, notes, deeds, clippings, etc, etc. At some point I hope to scan them and put them on line - another big job.

I will welcome any additions/corrections you have for the master outlines. I know your time must be limited for family history work but just let me know how we can collaborate.

Hi Elizabeth---

Thanks for finding me. If you will send me a couple of ancestors that link you to the earlier generations of the Upchurch family such as your grandparents or great grandparents, I will be happy to search my records to see if I can place you in the family tree. Dates and locations would be helpful. I am 95% successful in such searches

We have been making great strides in upgrading my website. However, we still have a way to go to make sure viewers can see and search the Upchurch Bulletins which are now on the site. It may take few more days or weeks (I hope not) to make sure we have it right. Please do return to the site until you can take advantage of the powerful resource of the 4,000+ pages of the Upchurch Bulletin posted on the site.

I look forward to hearing from you and hope we can collaborate to improve our records on your part of the family.

Hi Phil,

OBT- TO Biofile of Ben Lane U, Sr

My grandfather was Benjamin Franklin Upchurch (b. 08/31/1899, d. 12/23/1936) and my great-grandfather was Joe Cephus Upchurch, both of Atlanta, GA. My father, Ben Lane Upchurch, Sr., (b. 10/05/1931, d. 12/12/2012) was from East Point, GA and died last December (I've attached his obituary for you to update your records). I know there are boxes of old Upchurch bulletins in my parents' attic, and my husband and I recall attending a presentation of yours in East Point in the late 80s or early 90s.

Anyway, if you can point me to the correct branch of the family tree, I would appreciate it, and will pass it on to those siblings and cousins who are interested in genealogy. Thanks, Elizabeth (Liz) Upchurch Fee

Hi Cousin Liz---

Thanks for placing yourself in the Upchurch family for me. I was pretty sure I knew but wanted confirmation. Thanks also for sending me the obituary for your father. I had not heard. I send you my belated condolences. You have no doubt picked up on the fact that your father and I shared a great mutual interest in digging out our shared heritage. My Biofile for him is very fat and includes many valuable references all of which will become a part of the Upchurch Collection at N. C. State University in due course. I will note in passing that your Aunt Ann Duke continues as a subscriber of the Upchurch Bulletin as she has for many years.

About the Obituary--My recollection is that your father ended up being a Major General. Perhaps you can search the Upchurch Bulletin on my website and locate the article I wrote about him which has a picture of him. Do you have information about his rank? I would like to get this straight. He has the distinction of holding the highest military rank of any member of the Upchurch family. From the Obit I picked up one new family member in Aaron Prohaska making seven grandchildren and I suppose the final number. I note that they are on the verge of looking forward to being adults and producing another generation of our now very large family.

I am not sure how much you and other close family members want to go into your Upchurch heritage. The fact that we have the UB on my website and search-able makes taking the first few steps easy. However I have much more detail in my Master Outlines and beyond that even more in my Biofile System on several million individuals. Also, there is much more to locate and assimilate. I am doing a lot of that but increasingly concentrating on getting my files ready to go incrementally to N. C. State. There is a lot of expense to do this right

Whether you are more or less interested I would like to mail you my Master Outline sheets for the Willis J. Upchurch Line in the Charles Upchurch/ Thomas Gay Upchurch, Sr Subclan. This is an easy way to share. Beyond that I will follow your lead as to interaction going forward. CONTINUED

⑧ 6 MAR 2013 - CONTINUED

⑤

I hope you will contemplate the Upchurch heritage work we have been doing and are trying to lodge as a part of the Upchurch Collection and that you will consider giving financial support and encourage others to do likewise. The website lays out the need and methods of contributing. My greatest joy is not in collecting money but in cooperating with those interested in our shared heritage and in sharing.

I close again paying tribute to your father for all of his accomplishments and for his legacy of Upchurch records collected.

Dear Cousin Phil,

You are correct, upon retirement Dad was bumped up from BG to Major General, we weren't sure how to describe it in the obituary. A cousin of my mother's whose husband died earlier last year suggested we get someone from the army to be at the funeral to play taps. We had to find his discharge papers - which I did - up in the attic - and the funeral home director said we would be lucky to get 2 people to show up and that mostly it was a recording of taps. In fact, a 14-person honor guard showed up, folding the flag, playing taps (not a recording!), rifle volley, and presenting my mom with the flag and casings. A most fitting send off for a major general.

For the record, the last grandson is Aaron Michael Prohaska, born 11/6/97, all grandchildren still unmarried so far and working on degrees, working, in college or high school.

Just curious, why N.C. State? As a graduate of UNC-CH law school, I am a die hard Carolina basketball fan, so will try to get over that fact. I will also get my mother to make a contribution, as I know how important his heritage was to my dad.

Yes, please send me your master outline sheets for our branch of the family, I am slowly getting into all of this history. Thanks for the tribute to my dad, I miss him a lot. Regards, Liz Fee

Hi Cousin Liz---

Your story about the Military funeral for you Dad is very touching. I had a similar experience when my brother-in Law passed away as a full Colonel and had such a service--not as robust as yours but never-the-less touching. In fact, when I went up to the leader to express my thanks I choked up and could only mumble.

About N. C. State---it is a complex story on many levels all with good outcomes. I started to work for the Ag program at the University as a 14 year old High School freshman in the Spring of 1942 and dropped out of High School in June of 1944 to work for them as a full-time technician--never did finish High School. In the Fall of 1944 I took an entrance exam and entered the University. I continued to work for the Ag program and in four and one-half years got my BS and MS degrees in Agronomy on the same date in June of 1949. I then worked for them as a Research Instructor for 18 months before going to UC-Davis for my PhD. From January 1953 until July of 1965 I was on the faculty at N.C. State as a Weed Scientist leaving as a full Professor. So you can see N. C. State gave me a big boost in life and I owe them a lot.

When I looked for a place to put my family history records I only felt good about the prospects when I got to N. C. State. Because of my leadership positions in Agriculture and other aspects they said they would take all of my records including my very extensive family history records. Not many families have this kind of opportunity. We are fortunate. I am still working closely with Special Collections at NCSU to see how much stuff we can get online. Special Collection Departments are only now getting serious about this aspect. I will need to round up time and money to get the best job done. So there you have almost the full story. UNC is a great institution. My great Uncle gave money to help them become operational after the Civil War.

I have the Master Outline ready to mail to you as soon as you can let me have an address.

The prospect that your mother will make a contribution to aid in our Upchurch work is heartening. It would be listed as a memorial to him in the next Upchurch Bulletin.

Thanks for your interest and support.

Cousin Phil Upchurch

Hi Liz---

The password for the UB is "2013upchurch#". You can write it down as a reminder or you can always regenerate it by entering your email address which triggers another notice to me that this was done.

There are two ways of getting to the actual material on the two sites. One is to hit the download icon but this is a trap because it takes a long time for it to be what I think is called Uploaded. We wish this download emblem did not exist as a much easier way is to follow the instructions in red which places the text directly on your computer which you can then access at any time

We are frustrated by this confusion as it seems to be a trap for many people in spite of our instructions in red. Would you please play with the system and let me know your experience? Was my hint above helpful?

Thanks for your address. I 'll get the Master Outline in the mail to you today.

13. Etta- This may be Lega. I do have one list that has Lega in the list of kids, but no one in the family seems to know anything about either. There were many things that were never discussed so it is possible that they were both still born or died soon after birth.

Ellie Upchurch lived with my grandfather, Lex Upchurch to help take care of my father, Larry and his two sisters, Agnes and Marjorie after the death of their mother Elsie. Ellie gave the family Bible belonging to John Upchurch to my aunt Agnes. She kept it until her death and shortly after the funeral Marjorie ended up with it. I wish I had photo copied it or written down the information, but I did not see it until she was leaving with it. Unfortunately it will most likely end up in the trash if it hasn't already.

Ellie was Cherokee, but I am unsure if she was full-blooded. She knew a lot of native american medicine and tried to pass it on, but the racism was prevalent at the time and no one in the family seemed to be interested in claiming their heritage.

I have heard that John Upchurch had illegitimate children, but I was unsure of how many or who they were. My dad remembers Cora and Vallie very well. They would often come to visit. Mark and Benton also came to live with them to help raise the kids and provide financial support. Mark amassed a large sum of money from some businesses he owned in Louisiana and brought the cash back to TN. He provided the majority of financial support and parental guidance for all 3 kids until his death.

Hoping you can help. I'm a direct line desendant from John Worth Upchurch (NC 1848-1923), son of Hansen (Hansen) Upchurch (?1814-1890?) and Nancy (Watson? 1812-1879).

Hansen & Nancy w/children show up in the 1840 census (Wake co, NC), 1850 census (Johnston co NC), nothing in 1860, then they pop back up in 1870 census (Johnston co NC) and 1880 census (Johnston co NC).

I cannot find any information as to who Hansen's parents are. I believe you were writing to my father (Wayne Upchurch) back in 1997 about this same problem. It's possible Gillium & Sarah could be his parents but I cannot verify. I have everyone from Hansen Upchurch down documented and researched but finding out who his parents are is stumping me badly. Thank you in advance for any help you can provide.

Hi Elizabeth Barry Upchurch--

Delighted to have your email. We still do not have proof of the father of Hanson U but I have hopes that you and others will join with me in the search. I do carry his records under Gilliam U but need more proof or maybe we will just have to settle for a little more circumstantial evidence. The world of Hanson was not all that great and we should be able to make progress.

I was so disappointed that the untimely death of your father removed him from the hunt. May he rest in peace! Do you have access to all the Upchurch records he accumulated? I still have copies of all of our exchanges and have just had a look at them.

Do you have your Hanson records in such a fashion that you could send me a copy as a part of an email? I would use this to update my records and then send you a copy.

Along the way we can begin to construct a plan to do more digging if you are interested.

FOR ATTACHMENT RE DESCENDANTS
OF HANSON U (#260) SEE PGS

'Cousin' Phil,
Thank you so much for your timely email! Yes, the loss of my father at such a young age was a huge blow to our family, we lost mother 4 yrs later as well. I do have all his notes, research papers and other assorted items. They were of amazing use in getting our tree filled out. I'm using Ancestry.com (tree is called 'Upchurch 1814') to store everything - plus the linking function it provides has made attaching documentation much easier than when my father was doing this! I was not sure if you use Ancestry.com or not, so I've made a GED file of what I have so far which I will attach here. I can also send you an invitation to view the tree online if that would work better for you. Fair warning, my tree is massive since it also includes my paternal grandmother (Bettie Mae Creech) side of the family. In the next week or so, I hope to get to Antioch cemetery in Four Oaks, NC and take photos of the stones, this small church with gravesite is where my grandmother (who is still alive) attends and is where most of my ancestors are buried - as far back as John Worth Upchurch and his wife Malinda (think those are the oldest headstones I've found). It's been about 4 yrs or so since I walked through it taking notes, need a refresher. I do not believe this cemetery has ever been recorded so I would like to get that done.

In my research on Hansen, in the 1840 census he's listed referenced again), 1 male 20-29 (should be Hansen), 1 f be Nancy). It's been pretty easy to keep tabs on the family search the 1860 census backwards and forwards, tried to look under Radford which is Mary's husband (marriage). Since the 1850 and 1870 census both show Hansen and something happened in 1860 which prevented them from read/write in other times.

I started wondering if Hansen could be the Harvel (?) Up but I have not looked at that line much at all.

I keep coming back to Gilliam though, mainly through elir is 'Giluser' Upchurch from the 1820 census (Chatham, Ct under 10 yrs of age which would be perfect for Hansen.

Anyway, I look forward to hearing from you, will attach the you to the online tree.
Thank you again for your time!
Elizabeth

Hi Elizabeth---

I was able to import the file on Hanson you attached to your 22 JUL email for which thanks. It went into my PAF file and after some playing I was able to generate a descendency chart. I don't work a lot with the PAF system so was proud of myself for getting it to work after several tries. Anyway, I have since spent several hours adding your new pieces to my Master Outline. Also, as I filed the new Biofile sheets based on your input I found other bits that had been entered into my Biofile system but had not been integrated into a family system until now. All in all my Master Outline for the Moses U/Gilliam U Subclan is now much improved. These records are all maintained manually. If you will send me your postal address I will mail you a copy. If and as you have time you can let me know of any changes I need to make. For some parts my records are more complete than yours.

It is not essential that we concentrate on getting a perfect descendency document. However, it is what I do and you never know when it might help locate another cooperator or uncover a new lead.

There are many ways we can work together. I have started a list of ideas on a pink sheet that will go into your Biofile as a prompt to me as we move forward. I think it is a good bet that Hanson is a son of Gilliam.

I have not spent a lot of time in Johnston County but have lots of records. I try to go back to NC each fall and spring for research. Am still processing materials collected last May and hoping to go back this fall.

Regards.

Phil Upchurch

Dear Phil,

Thank you so much for your work on all of this over these many years. I cannot tell you how much your research helped my father with building our family tree! Everything he learned from you helped me tremendously when I picked up where he left off - you made easy work for me. I have the Moses U and Gilliam U subclan outline, but have been reluctant to add it to Hanson without more information. Since I do live in Wake Co, I've been hoping to maybe find a burial site for Gilliam and the rest thinking maybe I could find Hanson buried near his family. My family church only goes back to John Worth U (I *think*) but will be double checking that graveyard this coming Wed. I'm also going to hopefully meet with the pastor to discuss looking at the church records, since Hanson's son is buried there, there could be more information to be found. It's been about 4 years since I went to Antioch and it is possible that Hanson could be buried there and I missed the marker. I'm also going to be going for the first time to an unknown Creech Family gravesite which dates back to the mid 1700's - very excited about that since that is my paternal grandmother's family who I'm also documenting.

Is it accurate to say that most of Moses U's family has been documented (his sons I mean)? Seems a lot of those late 1700's early 1800's records are a bit sketchy but from my father's written notes, seems he too came to the conclusion that of all the sons of Moses, Gilliam was the most likely to be Hanson's father, mainly by eliminating the children of the other sons of Moses. If there is a church or graveyard you would like me to check here in NC, please let me know. Have digital camera, will travel. Hehe. I have about 9 more months here in NC before moving to IL, so my hope is to gather as much information as possible before that time.

My mailing address is 9009 Cascade Creek CT, Wake Forest, NC 27587-5369 and I look forward to anything you send which will help me on this quest.

Thank you again!
Elizabeth

the family of Gilliam A b 1782. The first 8 pages cover Gilliam his children, grandchildren and greatgrandchildren. The descendants of the great-grandchildren (if any) if known) are covered in continuation sections after the pink sheet (Note C's Numbers on the left hand side of the first 8 pages.

You will note I collect full names (full maiden names of females), dates of birth/death/marriage and place of birth/marriage/death/burial. For places I like to include town, county, state and the name of cemetery.

Note that while I have added the Hanson U Family to this master outline, I have not been assigning XID numbers pending more confirmation that Hanson belongs here.

The outline reflects the prospect that Gilliam had 10 children - but details on all except the presumed son Hanson are scarce.

As far as is known Sydney had only girls and they apparently never married.

It would not be a surprise to learn that Joseph & Charles, sons of Gilliam, died in the Civil War possibly leaving no descendants.

Sometimes we look for even the slightest clue for a family relationship. Note that John Worth U, possibly out of respect for his Uncle Sydney, named a son Charles Sydney U.

Another find had been highlighted in pink on the first sheet of the Master outline.

Beth Graham and her sister married Smith family members in Franklin Co, NC. I am guessing the two Smiths might have been brother & sister. There just might be something in the Smith Family records that would help us. Be alerted that, as you would expect Smiths are hard to track being numerous. Beyond that is a complicated story of the Smiths of Franklin Co, NC. They appeared often with the middle initial "A" or with "Arrow". It turns out their last name was ARROWSMITH and the name evolved over the years to Smiths with the "Arrow" part becoming a middle name. I have a book on this strange family.

We need to keep approaching our Hanson search from different angles. There are just two more aspects I'll bring up on this round. One has to do with your father's

2nd cousin (and your 2nd cousin once removed)

VICKI MARIE (BAREFOOT) GERSH (Mrs Scott Gersh - I think he is an MD or Dentist). She is D/o Charles Barefoot, G/o Lillie U + GED/o John Worth ~~U~~ U.

For years Vicki and I worked closely together both poured our funding the father of Hanson.

My last note from her was 31 JAN 2004. - Before that I had a phone chat with her while I was visiting Raleigh in 2001. At that time she was cordial but her interest seemed to have waned. At that time her address was 10224 Clairbourne Place, Raleigh, NC 27615 Phone 846-0972.

Perhaps you already know Vicki. Maybe you would like to see if you can contact her to see if she has ongoing interest.

The other matter is that I hope to visit the Raleigh Area this fall and would very much like to meet for a chat if you are up to it.

So will sign off for now.

RPU NOTE - 6 JAN 2013

This LISA JANE U is new to my records. Several hours of research in my files and on Ancestry.com have not revealed how she would fit into the Nottman or Mosey U claim - these being the two brothers who settled on the Wake/Chatham border about 1803. The ages suggest she would probably have been a granddaughter (or great-grand daughter) of Nottman or Mosey. Her entry in the GOODWIN book appears to be valid as the death certificate of her daughter EDNA GERTRUDE GOODWIN d 25 MAR 1966 shows her father as Joseph Marion Goodwin and nee LISA JANE UPCHURCH

Joseph Marion Goodwin Family

224 1846 - 1917 (son of Calvin Goodwin)
Joseph Marion Goodwin was born on October 14, 1846 at Chatham County the son of Calvin Goodwin and Sally Ann Cotten. He was married to Lisa Jane Upchurch before the 1880 Federal Census taken. She was born about 1850 at Chatham County.

They had three known children all born at Chatham and all untraced. (1) Jennie Goodwin was born in October 1881. (2) Joseph Hannon Goodwin was born in April 1884. He married Electa (Pearl) O. (----). (3) Edna Gertrude (Gurtha) Goodwin was born on April 8, 1890. She died on March 25, 1966 and is buried at Good Hope Baptist Church Cemetery, Chatham County.

Lisa Jane Upchurch Goodwin died before 1900. Joseph Marion Goodwin died on September 1, 1917 at Wake County.

For now Lisa Jane U will be referenced in the file for "Unidentified Upchurches": UFU Z 1850 NC WAKE/CHATHAM BORDER

The Basic Profile for Lisa will be maintained as LISA JANE U, which see for notes on my search efforts.

HOWEVER - This sheet will be compiled in the Profile System as: ELIZABETH JANE U, ELIZABETH JANE GOODWIN, JANE U, JANE GOODWIN, LISA JANE U, LISA JANE GOODWIN

So What Became of Patrick Bogan and Eunice's Children?

BY: KEVIN M. BURTON

Patrick and Eunice Upchurch had eleven children. The following is a brief history of each one though we know very little about some and a lot about others. They are listed in their birth order.

3. Elizabeth Jane Upchurch was born about 1841 in North Carolina and died after 1920, presumably in Arkansas. Not much is known about Elizabeth, except she married R.H. Johnson on October 16, 1879. Mr. Johnson was about 28 years older than Elizabeth. It is unknown how many children, if any, she had.

THE B. MOSES ALFORDS, EARLY ZEBULON RESIDENTS

7

Burkley Moses and Eliza Jane Upchurch Alford were natives of Dunn's Township, Franklin Co., N.C. Their wedding took place Oct. 5, 1871 in Louisburg, the county seat. Moses was the son of Kisar and Martha Upchurch Alford; Jane was the daughter of Ambrose and Harriet Pearce Upchurch.

For many years Moses and Jane lived on their land south of Pilot in Dunn's Township. Moses was a farmer and ran a small general store which stood in the yard of their home. Across the road stood the Alford School for children in the neighborhood. It was a typical one-room school of the day. Moses and Jane's oldest son, James Berry Alford, was at one time a teacher there taking a firm hand with the children who included younger siblings and cousins.

Moses was a dynamic person. He saw the potential for business in the town of Zebulon under construction as the Norfolk and Southern Railroad was completed from Raleigh to Wilson.

Moses purchased property from Zebulon Lane Co., the corporation that developed the town. A spacious two-story structure, with front veranda running the length of the house, was built for the family which consisted of Moses, Jane and those of their nine children still residing at home. The house stood in the 200 block of North Arendell Ave. Further down the street past the new railroad station, Moses and Julius Jeffreys built adjoining store buildings. There Moses and his son Furney opened B.M. Alford and Son, one of the first grocery and dry goods stores in Zebulon. A second article placed in this book provides a history of the business with some additional information on the family. (See B.M. Alford and Son, Merchants story.)

Burkley Moses Alford died April 3, 1915. His funeral was held at Pilot Baptist Church. Even after moving to Zebulon, Moses and Jane retained their membership in Pilot Baptist Church where he was a member of the first Board of Trustees and served as church clerk for many years. An unseasonable snowstorm occurred the day of Moses' funeral. Family and friends found travel difficult as they went by buggy from Zebulon to Pilot Baptist Church and then to the Alford Cemetery. *The Zebulon Record* commented upon the death of Moses Alford:

"Death of B.M. Alford"

On last Saturday, April 3rd while sitting in the barber shop talking and laughing with a friend, Mr. B.M. Alford one of Zebulon's oldest and best citizens was stricken with apoplexy and died before a doctor could reach him.

Mr. Alford, so we are informed, was about 71 years old.

He leaves a wife, six boys and two girls to mourn their loss. He has been one of the leading citizens of the town being one of the first to locate here, has always had the interest of the town foremost in mind. In Mr. Alford Zebulon loses one of its best friends and supporters.

The burial was in the family burying ground near Pilot last Sunday evening. Not only the news but all that knew Mr. Alford joins in sympathizing with the sorrowing wife and children in the loss of husband, father and friend.

Eliza Jane Upchurch Alford died Nov. 29, 1919. She is buried by Moses' side in the Alford Cemetery established on the farm in Franklin County where they once lived.

B.M. ALFORD AND SON, MERCHANTS

5

The article that follows was written by Edythe Lee Medlin Tippet. It appeared in the Feb. 1, 1973 edition of *The Zebulon Record* which highlighted the town's history.

"Store Holds Warm Memories Of Childhood Days For Older Citizens"

B.M. Alford and Son was one of Zebulon's very first grocery and dry goods stores. Located on So. Arendell Ave. and operated by B. Moses Alford and Son, Furney, the business probably opened its doors in 1907.

Moses Alford was a native of the Pilot community in Franklin Co. Near his father's homestead, he and his wife, Jane Upchurch Alford, reared their family on a farm of several hundred acres. There in Franklin Co., Moses Alford assumed other responsibilities in addition to his farm chores. Always a man of enterprise, he mended shoes, sawed shingles for sale in the area and ran a small general store.

When Zebulon became a reality in 1907, Moses and Jane Alford decided to join their future with the new town's. They chose to build both their new home and store on Arendell Avenue. The house was built on lots where Farmer's Dept. Store and Malone Drug Co. presently adjoin. The store building was constructed further down the street across from what is now the site of Parrish Market.

B.M. Alford & Son was a thriving business from the very start. Son Furney was in charge of the store, while his father saw to other business concerns such as his farming interest in Franklin County and speculating on the local tobacco market. It is also said that along with a number of other local men Moses Alford helped to construct the original building at Wakelon School.

The Alford Store had two departments, groceries and dry goods. Each department had its own front door, while inside an archway gave access from one to the other. Ladies found it convenient to shop for groceries and then take a look at new clothes or dress goods and sewing notions.

One of the most popular spots in the grocery department was just to the right as one entered the store. A large wooden icebox stood there, filled with iced bottled drinks. Farmers just into town, tobacconists from the warehouse that stood across the way and other gentlemen enjoy gathering around the icebox to discuss the latest news.

Next to the icebox stood an elaborate candy counter with shelves filled to the brim. Many Zebulon people have warm childhood memories of the hospitable store and the delicious confections that were forthcoming from the candy counter.

Not only customers enjoyed the hospitality

of the Alford Store. A number of cats lived out their lives in contentment there. The cats were fortunate to be under the kindly care of Furney Alford. Even though the store would not be open, Furney went down early each Sunday morning to feed his cats. No matter how many there were, each was given a name. Always named in pairs, they bore such names as Max and Climax, Peat and Repeat.

B. Moses Alford died April 3, 1915. Furney continued to run the store until his early death in September, 1927.

Milliard H. Alford had been a clerk in his grandfather Moses's store. He decided to purchase and continue the business after his Uncle Furney's death. This he did, changing the name to M.H. Alford Co. Poor health led to Milliard Alford's decision to close the business in 1952.

Today the building that once housed B.M. Alford and Son stands deserted. Adjoining the old J.C. Jeffreys Store at the corner of Arendell and Barbee Avenues, it is a silent reminder of Zebulon's past.

① see It's 9 APR 2002 Stephen Daniel Burris to RPM ①

Stephen summarizes his understanding of our knowledge of the family of William U b about 1778 (TN) as follows:

William (sr) is the only Upchurch in Jackson County in the 1820 Census of Middle Tennessee. Two of his children (Thomas and Elizabeth) are born in N.C. (1806 & 1808), and the remainder of his children are born in Tennessee, beginning with Gillum in abt. 1810.

By the 1850 Census, Elizabeth Upchurch, 42, is listed in the household of my 3rd ggrandfather, John Morgan Burris. We can assume she never married, as she is listed by my grandaunt May in her journal as being Miss Betty Upchurch and saving the "Hickory Hill" Burris Bible in 1864. In 1864 she would have been 56, and if still a "Miss" @ 56 I think it is safe to assume she never married.

In the 1850 Census, Craven Haywood Upchurch is listed as a 24 year old farmer in the household of Alfred Pryor.

Brother to Elizabeth, William (jr) has married Francis and has children Washington, Job, Emily, Mary and Gillum.

Sister to Elizabeth, Mary "Polly" has married William Burris and has kids.

So when William Burris' dad has him evicted from the family farm in 1859, Mary "Polly" and sister "Miss" Elizabeth Upchurch move to Hickory Hill, MO.

The above comments & other details in the 9 APR 02 letter are reflected in the following.

At one point SDBT thought that Elizabeth Burris md (2nd) Gallium U b 1810 but see SDBT profile note 29 MAR 2002 where SDBT reports that Elizabeth Burris was still md. to William Stafford in 1877 per a TN Supreme Court case in 1877

William Burris sued his father John Morgan Burris for land promised him, and lost. His father, John Morgan Burris counter-sued and had William evicted from the land. William and family re-located to Hickory Hill, Cole County, MO in 1859. William Burris and Mary "Polly" Upchurch had a bunch of kids, one of which was Craven Haywood Beck Burris that marries a **Nannie Newby Upchurch** b. Oct 31, 1860 in Memphis, Shelby County, TN, and is his first cousin.

Two years later, John Morgan Burris dies. Following the death of John Morgan Burris, John's will left \$150 to Elizabeth (Burris) Stafford and said monies to be out of the control of her husband William Stafford. (or any future husband) Should either Elizabeth or William contest the will the money was to be given to a lawyer to defend the will. They contested the will. They lost. They took it all the way to the Supreme Court, and lost again.

SDBT makes clear in his letter & his call of 26 MAR 2002 that the John M. BURNS 68M Farmer 2000 RE b VA on the 1850 census of Jackson Co, TN is not BURNS but rather JOHN M.
