Re: MUR 1093

Dear Mr. Brock:

This is to notify you that on September 14, 1979, the Commission found reason to believe that the Kansas Democratic State Committee ("KDSC") may have violated 2 U.S.C. § 441a by accepting contributions from you in excess of the annual \$5,000 limit on contributions from persons to political committees. Specifically, during 1978, you contributed \$10,252 to the Kansas Democratic State Committee and contributed \$32,052 to federal elections in the aggregate.

An investigation has been conducted and after considering the circumstances of the matter, the Commission determined on April 29, 1980, to take no further action against the KDSC and no action against you in this matter. Accordingly, the file has been closed. This matter will be made part of the public record within 30 days.

For future reference, the Commission has determined that contributions to retire debts resulting from elections held prior to January 1, 1975, are not subject to the contribution limitations as long as contributions and solicitations to retire those debts are clearly designated and used for that purpose. 11 C.F.R. § 110.1(g)(1).

If you have any questions please contact Maura White, the staff member assigned to this matter, at 202-523-4060.

MEMORANDUM

TO: The Commission

THROUGH: Orlando B. Potter

FROM: Tom Haselhorst *TH*

SUBJECT: MUR 1093

A review of the First General Counsel's report on the above MUR causes some concern within the Reports Analysis Division. Although we do not necessarily disagree with the recommendation, acceptance of this recommendation adds more confusion to the Commission's policy on allocation of expenses by party committees when a "ballot position" method is applied.

Specifically, Commission Advisory Opinions have, in some cases, required the proportion to be based on the number of candidates on the ballot while other cases required the proportion to be based on the number of offices on the ballot. Also, some cases required the Federal offices to receive an additional weighting prior to the determination of the proportion and other cases did not require this weighting. In one case, the number of total offices was defined in terms of Federal offices and comparable state offices; in other cases, the number of total offices was defined as the total number of offices to include Federal, state and local combined (see AO 1976-72, 1978-10, 1978-28 and 1978-102).

The Division believes that we do not have the required guidance in this area to respond to committees' questions. These questions have been recently raised by various party committees anticipating 1980 election activity and, at this time, the Division is recommending that they request an Advisory Opinion. The recent changes to the Act have focused considerable party committee attention in this area. We anticipate this interest will escalate as the election grows near. We are bringing this to the Commission's attention so that consideration can be given to an early resolution of this policy matter.

SUMMARY OF ALLEGATIONS

On November 28, 1979, the Reports Analysis Division referred the names of the Kansas Democratic State Committee ("KDSC") and Robert Lee Brock to the Office of General Counsel for possible violations of 2 U.S.C. § 441a (Attachment 1). During 1978, Mr. Brock contributed \$10,252 to the KDSC, a possible violation of § 441a(a)(1)(C) which prohibits any person from making contributions to any political committee which exceed \$5,000 in the aggregate in any calendar year. The KDSC received Mr. Brock's contributions, a possible violation of § 441a(f) which prohibits the knowing receipt of contributions in excess of the limits of § 441a. The contributions, when added to contributions made to other federal committees and candidates by Mr. Brock, totalled \$32,052, a possible violation of § 441a(a)(3) which prohibits an individual from making contributions which exceed \$25,000 in the aggregate in any calendar year.

On July 19, 1979, and September 14, 1979, RAD mailed a surface violation letter and reason to believe notification, respectively, to the KDSC concerning its receipt of \$10,252 from Robert Brock during 1978 (Attachments 2 and 3). On September 18, 1979, the KDSC, in response to the reason to believe notification, refunded \$5,252 to Robert Brock (Attachment 4). Mr. Brock has received no notification or letters from the Commission in regard to possible violations of the Act.

FACTUAL BASIS AND LEGAL ANALYSIS

The issues in this matter are (1) whether or not the KDSC is a political committee under the Act, and if so, (2) whether or not the contributions made by Mr. Brock to the KDSC in 1978 should be subject to the limitations of § 441a.

(1) Political Committee.

The KDSC registered as a political committee on July 2, 1974. During 1975 the KDSC attempted to terminate but was advised by RAD that it was ineligible for termination because it had outstanding debts. It does not appear that there was a determination at that time if the debts were federally related. However, a review of reports filed by the KDSC indicates the KDSC supported six federal candidates in 1974. As of December 31, 1974, the KDSC had debts totalling \$77,945.10 of which \$55,000 were bank loans. Since the KDSC did not have separate state and federal committees and did support federal candidates in 1974, the debts could be considered federally related, and the committee ineligible for termination. The debts, although reduced, have never been completely repaid. As of December 31, 1978, the outstanding balance for the bank loans was \$22,500.

On July 6, 1978, the Audit Division completed an audit of the KDSC for the period January 1, 1976, through April 31, 1978, and concluded that the KDSC was not a political committee during this period because less than \$1,000 of the KDSC's activity was federally related (Attachment 5). While Audit was aware of the pre-1975 debts, its conclusion was based on the fact that these debts were incurred prior to the effective date of the 1974 amendments.

In October, 1978, after the audit, the KDSC engaged in get-out-the-vote activities ("GOTV") on behalf of both state and federal candidates. The KDSC spent a total of \$10,600 on behalf of 57 state candidates and 3 federal candidates in four counties. Acting on advice from RAD that federal activity should be weighted more heavily than state activity, the KDSC pro-rated one-third of each county's expenses to federal candidates and reported federal expenses totalling \$3,533 (Attachment 6). However, a more accurate allocation would be based on the actual ratio of federal candidates to the total number of candidates supported by each county committee which engaged in GOTV activities (See AO 1978-102). On this basis the federal GOTV activity of the KDSC in 1978 totalled \$797.75 and was not sufficient to qualify the KDSC as a political committee.

00040191300

The KDSC has not reported expenses in excess of \$1,000 for any other federal activity from 1975 through 1978, and thus the sole basis for considering it a political committee under the Act in 1978 is its 1974 debts.

(2) Contributions in 1978.

Mr. Brock's contributions in 1978 would not be subject to the limitations of § 441a if they were clearly designated and used for the purpose of retiring the 1974 debts. Former 11 C.F.R. § 110.1(g)(1). However the information concerning the use of the contributions is unclear. KDSC officials indicated to Audit that Mr. Brock felt responsible for the debts since he had endorsed many of the 1974 loans. Mr. Brock contributed \$5,650 to KDSC in 1976, and the debts were reduced by \$15,000 during that year. Mr. Brock contributed \$1,052 in the first quarter of 1978 and the debts were reduced by \$12,500. But Mr. Brock contributed \$9,200 during the remaining three quarters of 1978 and the debts were not reduced. The reports filed by the KDSC with the Commission do not indicate that Mr. Brock's contributions were specifically designated for debt retirement.

Even if Mr. Brock's contributions in 1978 were not made for the purpose of debt retirement, it would still be inappropriate to make them subject to the limitations of § 441a. The KDSC has not engaged in any federal activity sufficient to qualify it as a political committee since the limitations of § 441a went into effect. The only basis for the Commission's jurisdiction over the KDSC is the 1974 debts. Since contributions made at the time these debts were incurred were not subject to the limitations of § 441a, and contributions made subsequently for the purpose of retiring such debts are not subject to the limitations, there is no federal activity involved in this matter to which the limitations apply.

Mr. Brock could have made the contributions in excess of the § 441a limitations to retire the 1974 debts. But for these debts, there would be no question under the Act of limitations on his contributions to KDSC for its activities in 1978. To apply the § 441a limitations to Mr. Brock's 1978 contributions would result in restrictions on non-federal activity based solely on federal activity which occurred before the limitations were in effect. Such a result would be beyond the clearly intended scope of § 441a. Therefore the General Counsel recommends that the Commission take no further action against the KDSC, and no action against Robert Brock.

1325 K STREET N.W.
WASHINGTON, D.C. 20463

MEMORANDUM

TO: CHARLES N. STEELE

FROM: BILL LOUGHREY *B.L.*

SUBJECT: REFERRAL OF ROBERT LEE BROCK AND KANSAS DEMOCRATIC
STATE COMMITTEE

DATE: NOVEMBER 28, 1979

This referral is a confusing and complicated situation involving the Kansas Democratic State Committee and Robert Lee Brock.

Shortly after the Commission was established, the Kansas Democratic State Committee attempted to terminate. However, because this Committee reported debts outstanding, the Reports Analysis Division would not allow it to terminate. At that time, since the Democratic State Committee was a reporting entity, no effort was made to ascertain whether these debts were actually incurred in connection with a federal election. (To date, it has still not been determined whether the pre-1975 debts were actually incurred in connection with a federal election.) Subsequently, instead of merely reporting the debts outstanding from its pre-1975 activity, the Kansas Democratic State Committee reported all of its financial activity.

During the 1976 election, the State Committee attempted to pay off its pre-1975 debts and had no funds to contribute to or assist federal candidates. Hence, for the period from January 1, 1976 through March 31, 1978, even though the Committee raised and spent substantial amounts of money, less than \$1,000 of this activity was related to the 1976 elections. Thus, when the Audit Division conducted its audit, it determined that the State Committee was not a political committee. As of the completion of the audit on July 6, 1978, the Committee still did not anticipate that it would support federal candidates in the 1978 election. After completion of the audit, the staff of the Kansas Democratic State

Committee changed hands. The Committee subsequently did become a political committee subject to the FECA by conducting get-out-the-vote activities of which more than \$4,000 was allocable to federal candidates.

Many of the debts incurred prior to 1975 were endorsed by the Democratic State Chairmen, Mr. Robert Lee Brock and Mr. Lueck, who felt responsible for paying off these debts. During 1976, Mr. Brock contributed in excess of \$5,000 to the State Committee. The Committee claimed that this amount was used to pay off the pre-1975 debts, some of which had been endorsed by Mr. Brock. During 1976, the State Committee did, in fact, pay off some of the debts which had been endorsed by Mr. Brock. In 1977 Mr. Brock also made additional contributions to retire these debts (although the amounts did not total in excess of \$5,000). Mr. Lueck also gave over \$5,000 in one of these calendar years to pay off the pre-1975 debts.

During the first quarter of 1978, Mr. Brock made additional contributions to pay off the \$55,000 in debts endorsed by him. These contributions did not exceed the \$5,000 limit. The debts were reduced by \$12,500 in the first quarter of 1978. On March 31, 1978, \$32,500 of the debts had been paid and \$22,500 of the debts were outstanding. Subsequent to the audit, Mr. Brock did make contributions in excess of the \$5,000 limit for calendar year 1978. Although the debts outstanding were reduced in the first quarter of the year, the Reports Analysis Division did an analysis that indicated that the contributions made by Mr. Brock after the first quarter could not have been used to pay off pre-1975 debts since the pre-1975 debts outstanding were not reduced by significant amounts after the first quarter of that year.

At no time during the period of the audit or subsequently did the Committee segregate the pre-1975 debts and indicate that Mr. Brock was making payments to pay off these debts. Thus, the Reports Analysis Division sent a surface violation letter to the Committee. A new treasurer and staff had taken over the Committee and they did not claim that these funds were to pay pre-1975 debts. The Committee refunded the excess contribution in an amount of \$5,252 (the Committee had reported receiving \$10,252 from Mr. Brock during calendar year 1978).

It appears that both Mr. Brock and the Kansas Democratic State Committee are confused about Commission requirements with respect to pre-1975 debts. If, as appears likely, all of Mr. Brock's contributions since January 1, 1975, are to pay off pre-1975 debts then none of these contributions should be subject to the FECA's contribution limitations. Thus, neither Mr. Brock nor the Kansas Democratic State Committee would be in violation of the contribution limitations of 2 U.S.C. 441a. Since it appears that the Commission may be at least partially responsible for the confusion which has occurred in this matter, it might be appropriate to open a MUR and initiate an inquiry rather than a finding of reason to believe. It is suggested that the Office of General Counsel, Audit Division and Reports Analysis Division discuss with the Committee and the contributor ways of segregating the 1975 debts outstanding from its current activity. This procedure would seem to be preferable to a finding of reason to believe.

AGGREGATE YEARLY CONTRIBUTION LIMIT.

The attached is one of nine referrals of individuals who appear to have exceeded the aggregate yearly contribution limit. It is being forwarded with the Kansas Democratic State Committee because the individual made an excessive contribution to that committee. The other eight referrals of individuals will be referred in a separate packet.

This referral was initiated through review of Section 1 of the G Index. Each contribution listed was verified by checking the committee reports. All contributions shown on the G Index and included in the referral were made during 1978.

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

July 19, 1979

W. E. Clarkson, Treasurer
Kansas Democratic State Committee
Holiday Inn Downtown, Suite 109
P. O. Box 1914
Topeka, Kansas 66601

Dear Mr. Clarkson:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During review of the April 10 Quarterly, July 10 Quarterly, 10 Day Pre-Primary, October 10 Quarterly, 10 Day Pre-General, and 30 Day Post-General Report of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act precludes individuals from making a political contribution to a multicandidate committee in any calendar year in the excess of \$5,000.

The Commission recommends that if you find the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donors. These returns should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on these matters. If you have any questions concerning these matters, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)357-0022.

Sincerely,

Orlando B. Potter

COMMITTEE: Kansas Democratic State Committee (913)234-0425

PERSON SPOKEN TO: Jim Ploger, Assistant Treasurer

FEC'R: Lisa Stolaruk

SUBJECT: Excessive individual contribution

BACKGROUND: The Kansas Democratic State Committee (KDSC) was recently audited by the FEC. The audit covered the period January 1, 1976 through March 31, 1978. The committee was found not to be a political committee, defined by the Act, during that period. While reviewing their 1978 reports, I discovered that Robert L. Brock had contributed \$10,252 to KDSC in 1978. I brought this to the attention of Sue Paschen of Audit. Sue said that a portion of Brock's contributions was to be attributed to outstanding 1974 campaign debts that were incurred by KDSC. Sue mentioned, however, that the contributions were reported incorrectly, in that they should have been clearly designated for the purpose of retiring the 1974 debts. I called the committee this day to confirm the situation and to explain the correct manner in which to report Brock's contributions.

COMMUNICATION WITH THE COMMITTEE: I called the KDSC and spoke with Jim Ploger, who is listed on the Statement of Organization as the Assistant Treasurer. I asked him whether some of Brock's contributions were intended to go toward the '74 debts. He said that, to the best of his knowledge, this was incorrect. Brock, he said, was a very generous contributor and that his money was used for general operating support. He said that he was familiar with the committee's operations and did not know anything about using Brock's money to pay off '74 debts. A surface violation will follow.

Re: Kansas Democratic State Committee
From: Lisa Stolaruk

3. Throughout 1978, the '74 campaign debts remained at \$22,500. As of the Year End 1978 report, Mr. Brock's reported contributions totaled \$10,252.

WASHINGTON, D.C. 20463

July 19, 1979

W. E. Clarkson, Treasurer
Kansas Democratic State Committee
Holiday Inn Downtown, Suite 109
P. O. Box 1914
Topeka, Kansas 66601

Dear Mr. Clarkson:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During review of the April 10 Quarterly, July 10 Quarterly, 10 Day Pre-Primary, October 10 Quarterly, 10 Day Pre-General, and 30 Day Post-General Report of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act precludes individuals from making a political contribution to a multicandidate committee in any calendar year in the excess of \$5,000.

The Commission recommends that if you find the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donors. These returns should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on these matters. If you have any questions concerning these matters, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)357-0022.

Sincerely,

Orlando B. Potter
Staff Director

COMMITTEE: Kansas Democratic State Committee

PERSON SPOKEN TO: Jim Ploger (913)234-0425

FEC'R: Lisa Stolaruk

SUBJECT: SV on excessive contribution from an individual

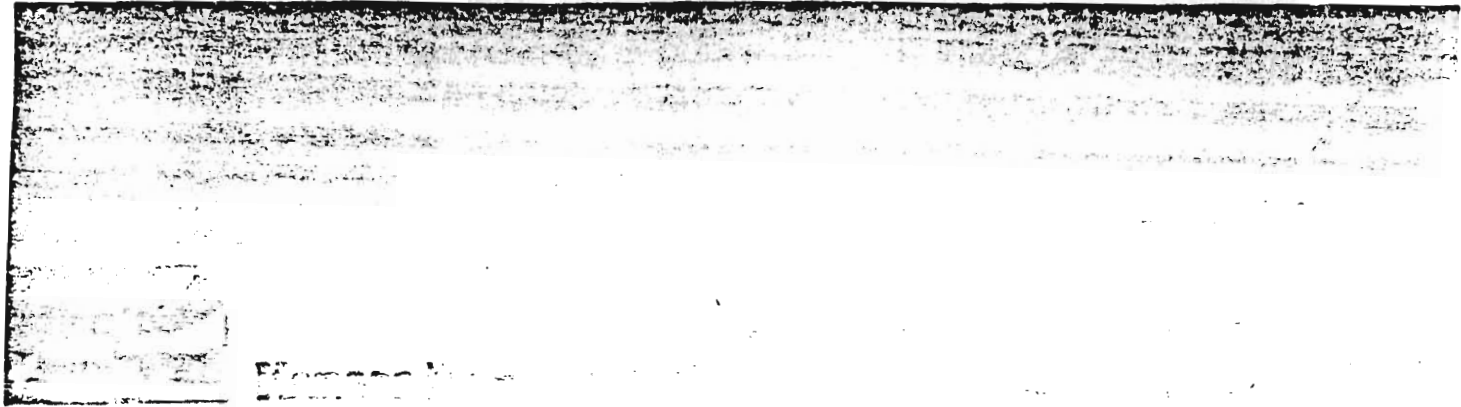

Mr. Ploger called regarding the above SV. He wanted to know how to resolve the situation. I said that he could refund the amount over \$5,000 to Mr. Brock, or transfer same amount to a state/local fund. He said that the FEC audited the committee, and that they were found not to be a political committee during the period of time investigated (Jan. 1976-March, 1978). He wondered whether this fact would relieve them from the jurisdiction of the FECA, and thus clear them of the violation. I said that, since they are still a reporting entity, they still come under the jurisdiction of the Act.

He also said that the only debts outstanding are those that were incurred during the 1974 election. He wanted to know ~~xxxx~~ whether the committee could terminate with pre-1975 debts, since the Act does not cover pre-1975 activity.

Since I was not certain how to answer the above questions, I told Mr. Ploger that I would call him back tomorrow with more definite answers. I first want to consult with Sue Paschen of Audit and Peggy Sims of Compliance.

Mr. Ploger also wanted to know how to respond to an RFAI I had sent on expenditures to county committees for GOTV activity. I specifically asked for particulars, but during our conversation I mentioned possible candidate support through GOTV, and explained the allocation formula. He said that there were 2 Congressional candidates and one Senatorial candidate running, and that he would try and allocate in-kind support accordingly. I explained that federal candidates had to be weighted more heavily than state/local candidates.

NOTE: Although the audit revealed no federal activity during the period audited, it is possible that their GOTV activity exceeded \$1,000 for the 1978 election. If this is the case, then the violation would still hold water.

COMMITTEE: Kansas Democratic State Committee

PERSON SPOKEN TO: Jim Ploger

FEC'R: Lisa Stolaruk

SUBJECT: Assorted problems (see telecon of 8/7 for more specific information)

Mr. Ploger returned my call today. After consulting with Peggy, Bobby and Dug about this matter, I decided the best course of action on my part was to 1) wait until the committee submitted its allocation of GOTV activity to federal candidates and 2) suggest the committee submit an AOR regarding possible termination with pre-75 debts outstanding.

Mr. Ploger said that he worked out an allocation formula last night and sent me a copy this morning. He said that he computed the committee's allocable federal activity to be around \$3,000. Mr. Ploger realizes that this would bring the committee under the jurisdiction of the Act.

I explained the procedure of filing AOR's to Mr. Ploger, and emphasized that this was probably the most feasible step in which to get an answer to situation #2, since RAD cannot answer the question at all.

I told Mr. Ploger that I would call him as soon as I had a chance to review the GOTV amendment which is en route to the Commission.

COMMITTEE: Kansas Democratic State Central Committee

PERSON SPOKEN TO: Jim Ploger (913)234-0425

FEC'R: Lisa Stolaruk

SUBJECT: GOTV activity-excessive individual contribution

On the basis of the committee's allocation formula of federal GOTV activity for the 1978 election, the committee appears to have been a political committee for that year. Thus, it is subject to the Act, and is under the obligation to return approximately \$5,000 to Robert Brock. I called Jim to inform him of this, and to alert him to the fact that the FEC just mailed a second notice. Jim understood the implications completely, but said that the committee has a balance of about \$900 now, and has many debts to pay off. I asked him when the committee can anticipate an increase in cash flow. He said ~~that~~ that they are ~~is~~ planning a fund raiser in early November, but do not expect any substantial income prior to that time. I asked that ~~that~~ he respond by letter when ~~he~~ he receives the 2nd notice, stating the committee's financial situation and their expected increase in money as a result of the fundraiser. I told him that this would clarify the Public Record, and would lend documentation to the fact that the committee is making a good-faith effort ~~atxxxxxxx~~ to comply with the Act.

ADDENDUM
Kansas Democratic State Committee

In light of the outcome of the audit of KDSC, which covered the period January 1, 1976 through March 31, 1978, RAD was posed with questions regarding the federal status of the committee. Although the only apparent federal activity that was undertaken by KDSC occurred during the 30 Day Post-General reporting period, RAD decided to pursue the violation for the following reasons:

- 1) KDSC, being a registered filer, must be considered a political committee and thus ultimately accountable to the Act.
- 2) KDSC, having had outstanding debts since its date of registration (debts that are still outstanding) is ineligible for termination of its federal reporting requirements.

Accordingly, although RAD weighed and considered the committee's status before initiating action, it remains unclear as to whether or not the committee was a political committee, as defined by the Act, during the time in which the excessive contributions were received.

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

July 19, 1979

W. E. Clarkson, Treasurer
Kansas Democratic State Committee
Holiday Inn Downtown, Suite 109
P. O. Box 1914
Topeka, Kansas 66601

Dear Mr. Clarkson:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During review of the April 10 Quarterly, July 10 Quarterly, 10 Day Pre-Primary, October 10 Quarterly, 10 Day Pre-General, and 30 Day Post-General Report of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act precludes individuals from making a political contribution to a multicandidate committee in any calendar year in the excess of \$5,000.

The Commission recommends that if you find the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donors. These returns should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on these matters. If you have any questions concerning these matters, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)357-0020.

REPORT OF THE AUDIT DIVISION ON THE KANSAS DEMOCRATIC STATE COMMITTEE

I. Background

A. Overview

This report is based on an audit of the Kansas Democratic State Committee ("the Committee"), undertaken by the Audit Division of the Federal Election Commission in accordance with the Commission's audit policy to determine whether there has been compliance with the provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The audit was conducted pursuant to Section 438(a)(2) of Title 2, of the United States Code which directs the Commission to make from time to time audits and field investigations with respect to reports and statements filed under the provisions of the Act.

The Kansas Democratic State Committee registered with the Office of the Clerk of the United States House of Representatives on July 2, 1974. The Committee maintained its headquarters in Topeka, Kansas. The period covered by the audit was January 1, 1976 through March 31, 1978.

This audit report is based on documents and working papers which support each of the factual statements. They form part of the record upon which the Commission based its decisions on the matters in the report and were available to Commissioners and appropriate staff for review.

80040191384

B. Key Personnel

The principal officers of the Committee during the period audited were:

<u>Chairman</u>	<u>Treasurer</u>
Henry Lueck through March 11, 1977	Don Carlile through March 3, 1978
Terence J. Scanlon March 11, 1977 through March 31, 1978	Tom Corcoran March 3, 1978 through March 31, 1978

C. Scope

The audit included such tests as verification of total reported receipts and expenditures and individual transactions; review of required supporting documentation and analysis of Committee debts and obligations; and such other audit procedures as deemed necessary under the circumstances.

II. Auditor's Statement

It is the opinion of the Audit staff, based upon examination of the reports and statements filed and the records presented that the Kansas Democratic State Committee was not a political committee for the period audited as defined by Section 431(d) of Title 2 of the United States Code.

This opinion is based on the fact that the Committee neither supported candidates for Federal elections nor made any expenditures in excess of \$1,000 in a calendar year to influence Federal elections.

Recommendations

Since the Committee did not qualify as a political committee, the Audit staff recommends no action be taken.

Re: MUR 1093

Dear Mr. Clarkson:

On September 14, 1979, the Commission found reason to believe that the Kansas Democratic State Committee ("KDSC") may have violated 2 U.S.C. § 441a(f) by knowingly accepting contributions in excess of the \$5,000 annual limitation on contributions from a person to a political committee. Specifically, the KDSC accepted \$10,252 in contributions from Robert Lee Brock during 1978. In response to the reason to believe notification, your committee refunded the amount in excess, \$5,252, to Mr. Brock on September 18, 1979.

After considering the circumstances of this matter, the Commission has determined to take no further action and close its file in this matter. This matter will be made part of the public record within 30 days.

If you have any questions please direct them to Maura White, the staff member assigned to this matter at 202/523-4060.

Sincerely,

Re: MUR 1093

Dear Mr. Brock:

This letter is to notify you that the Federal Election Commission, in the normal course of its supervisory responsibilities, found evidence that you may have violated sections 441a(a)(3) and 441a(a)(1)(C) of the Federal Election Campaign Act of 1971, as amended ("the Act") by contributing in excess of the \$5,000 annual limit on contributions from individuals to political committees, and by contributing in excess of the \$25,000 annual limit on contributions from individuals to federal election activity. Specifically, during 1978, you contributed \$10,252 to the Kansas Democratic State Committee and, contributed \$32,052 to federal elections in the aggregate.

An investigation has been conducted and after considering the circumstances of the matter, the Commission determined on , 1980, to take no action against you in this matter. Accordingly, the file has been closed. This matter will be made part of the public record within 30 days.

If you have any questions please contact Maura White, the staff member assigned to this matter, at 202-523-4060.

Sincerely,

Charles N. Steele

MEMORANDUM

TO: WILLIAM OLDAKER
THROUGH: ORLANDO B. POTTER *OBP*
FROM: THOMAS HASELHORST *TH*
SUBJECT: REFERRAL OF AN INDIVIDUAL WHO MAY HAVE EXCEEDED THE \$25,000
AGGREGATE YEARLY CONTRIBUTION LIMIT.

The attached is one of nine referrals of individuals who appear to have exceeded the aggregate yearly contribution limit. It is being forwarded with the Kansas Democratic State Committee because the individual made an excessive contribution to that committee. The other eight referrals of individuals will be referred in a separate packet.

This referral was initiated through review of Section 1 of the G Index. Each contribution listed was verified by checking the committee reports. All contributions shown on the G Index and included in the referral were made during 1978.

If you have any questions please contact Mary Luppi in the Compliance Section at 357-0023.

30040191402

Committee changed hands. The Committee subsequently did become a political committee subject to the FECA by conducting get-out-the-vote activities of which more than \$4,000 was allocable to federal candidates.

Many of the debts incurred prior to 1975 were endorsed by the Democratic State Chairmen, Mr. Robert Lee Brock and Mr. Lueck, who felt responsible for paying off these debts. During 1976, Mr. Brock contributed in excess of \$5,000 to the State Committee. The Committee claimed that this amount was used to pay off the pre-1975 debts, some of which had been endorsed by Mr. Brock. During 1976, the State Committee did, in fact, pay off some of the debts which had been endorsed by Mr. Brock. In 1977 Mr. Brock also made additional contributions to retire these debts (although the amounts did not total in excess of \$5,000). Mr. Lueck also gave over \$5,000 in one of these calendar years to pay off the pre-1975 debts.

During the first quarter of 1978, Mr. Brock made additional contributions to pay off the \$55,000 in debts endorsed by him. These contributions did not exceed the \$5,000 limit. The debts were reduced by \$12,500 in the first quarter of 1978. On March 31, 1978, \$32,500 of the debts had been paid and \$22,500 of the debts were outstanding. Subsequent to the audit, Mr. Brock did make contributions in excess of the \$5,000 limit for calendar year 1978. Although the debts outstanding were reduced in the first quarter of the year, the Reports Analysis Division did an analysis that indicated that the contributions made by Mr. Brock after the first quarter could not have been used to pay off pre-1975 debts since the pre-1975 debts outstanding were not reduced by significant amounts after the first quarter of that year.

At no time during the period of the audit or subsequently did the Committee segregate the pre-1975 debts and indicate that Mr. Brock was making payments to pay off these debts. Thus, the Reports Analysis Division sent a surface violation letter to the Committee. A new treasurer and staff had taken over the Committee and they did not claim that these funds were to pay pre-1975 debts. The Committee refunded the excess contribution in an amount of \$5,252 (the Committee had reported receiving \$10,252 from Mr. Brock during calendar year 1978).

It appears that both Mr. Brock and the Kansas Democratic State Committee are confused about Commission requirements with respect to pre-1975 debts. If, as appears likely, all of Mr. Brock's contributions since January 1, 1975, are to pay off pre-1975 debts then none of these contributions should be subject to the FECA's contribution limitations. Thus, neither Mr. Brock nor the Kansas Democratic State Committee would be in violation of the contribution limitations of 2 U.S.C. 441a. Since it appears that the Commission may be at least partially responsible for the confusion which has occurred in this matter, it might be appropriate to open a MUR and initiate an inquiry rather than a finding of reason to believe. It is suggested that the Office of General Counsel, Audit Division and Reports Analysis Division discuss with the Committee and the contributor ways of segregating the 1975 debts outstanding from its current activity. This procedure would seem to be preferable to a finding of reason to believe.

MEMORANDUM

TO: CHARLES N. STEELE

FROM: BILL LOUGHREY *B.L.*

SUBJECT: REFERRAL OF ROBERT LEE BROCK AND KANSAS DEMOCRATIC
STATE COMMITTEE

DATE: NOVEMBER 28, 1979

This referral is a confusing and complicated situation involving the Kansas Democratic State Committee and Robert Lee Brock.

Shortly after the Commission was established, the Kansas Democratic State Committee attempted to terminate. However, because this Committee reported debts outstanding, the Reports Analysis Division would not allow it to terminate. At that time, since the Democratic State Committee was a reporting entity, no effort was made to ascertain whether these debts were actually incurred in connection with a federal election. (To date, it has still not been determined whether the pre-1975 debts were actually incurred in connection with a federal election.) Subsequently, instead of merely reporting the debts outstanding from its pre-1975 activity, the Kansas Democratic State Committee reported all of its financial activity.

During the 1976 election, the State Committee attempted to pay off its pre-1975 debts and had no funds to contribute to or assist federal candidates. Hence, for the period from January 1, 1976 through March 31, 1978, even though the Committee raised and spent substantial amounts of money, less than \$1,000 of this activity was related to the 1976 elections. Thus, when the Audit Division conducted its audit, it determined that the State Committee was not a political committee. As of the completion of the audit on July 6, 1978, the Committee still did not anticipate that it would support federal candidates in the 1978 election. After completion of the audit, the staff of the Kansas Democratic State

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

July 19, 1979

W. E. Clarkson, Treasurer
Kansas Democratic State Committee
Holiday Inn Downtown, Suite 109
P. O. Box 1914
Topeka, Kansas 66601

Dear Mr. Clarkson:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During review of the April 10 Quarterly, July 10 Quarterly, 10 Day Pre-Primary, October 10 Quarterly, 10 Day Pre-General, and 30 Day Post-General Report of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act precludes individuals from making a political contribution to a multicandidate committee in any calendar year in the excess of \$5,000.

The Commission recommends that if you find the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donors. These returns should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on these matters. If you have any questions concerning these matters, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)357-0023.

Sincerely,

Orlando B. Potter
Staff Director

COMMITTEE: Kansas Democratic State Committee (913)234-0425

PERSON SPOKEN TO: Jim Ploger, Assistant Treasurer

FEC'R: Lisa Stolaruk

SUBJECT: Excessive individual contribution

BACKGROUND: The Kansas Democratic State Committee (KDSC) was recently audited by the FEC. The audit covered the period January 1, 1976 through March 31, 1978. The committee was found not to be a political committee, defined by the Act, during that period. While reviewing their 1978 reports, I discovered that Robert L. Brock had contributed \$10,252 to KDSC in 1978. I brought this to the attention of Sue Paschen of Audit. Sue said that a portion of Brock's contributions was to be attributed to outstanding 1974 campaign debts that were incurred by KDSC. Sue mentioned, however, that the contributions were reported incorrectly, in that they should have been clearly designated for the purpose of retiring the 1974 debts. I called the committee this day to confirm the situation and to explain the correct manner in which to report Brock's contributions.

COMMUNICATION WITH THE COMMITTEE: I called the KDSC and spoke with Jim Ploger, who is listed on the Statement of Organization as the Assistant Treasurer. I asked him whether some of Brock's contributions were intended to go toward the '74 debts. He said that, to the best of his knowledge, this was incorrect. Brock, he said, was a very generous contributor and that his money was used for general operating support. He said that he was familiar with the committee's operations and did not know anything about using Brock's money to pay off '74 debts. A surface violation will follow.

MEMORANDUM FOR FILES

Re: Kansas Democratic State Committee

From: Lisa Stolaruk

Through further review of the reports filed by Kansas, the following observations have been made:

1. The committee reported \$55,000 in '74 campaign debts on their 1977 Year End report.
2. The April 10 1978 report showed a total of \$22,500 in '74 campaign debts, a decrease of \$32,500. Mr. Brock contributed a total of \$1,502 during this quarter.
3. Throughout 1978, the '74 campaign debts remained at \$22,500. As of the Year End 1978 report, Mr. Brock's reported contributions totaled \$10,252.

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

July 19, 1979

W. E. Clarkson, Treasurer
Kansas Democratic State Committee
Holiday Inn Downtown, Suite 109
P. O. Box 1914
Topeka, Kansas 66601

Dear Mr. Clarkson:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During review of the April 10 Quarterly, July 10 Quarterly, 10 Day Pre-Primary, October 10 Quarterly, 10 Day Pre-General, and 30 Day Post-General Report of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act precludes individuals from making a political contribution to a multicandidate committee in any calendar year in the excess of \$5,000.

The Commission recommends that if you find the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donors. These returns should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on these matters. If you have any questions concerning these matters, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)357-0023.

Sincerely,

Orlando B. Potter
Staff Director

PERSON SPOKEN TO: Jim Ploger (913)234-0425

SUBJECT: SV on excessive contribution from an individual

Mr. Ploger called regarding the above SV. He wanted to know how to resolve the situation. I said that he could refund the amount over \$5,000 to Mr. Brock; or transfer same amount to a state/local fund. He said that the FEC audited the committee, and that they were found not to be a political committee during the period of time investigated (Jan. 1976-March, 1978). He wondered whether this fact would relieve them from the jurisdiction of the FECA, and thus clear them of the violation. I said that, since they are still a reporting entity, they still come under the jurisdiction of the Act.

He also said that the only debts outstanding are those that were incurred during the 1974 election. He wanted to know ~~whether~~ whether the committee could terminate with pre-1975 debts, since the Act does not cover pre-1975 activity.

Since I was not certain how to answer the above questions, I told Mr. Ploger that I would call him back tomorrow with more definite answers. I first want to consult with Sue Paschen of Audit and Peggy Sims of Compliance.

Mr. Ploger also wanted to know how to respond to an REAI I had sent on expenditures to county committees for GOTV activity. I specifically asked for particulars, but during our conversation I mentioned possible candidate support through GOTV, and explained the allocation formula. He said that there were 2 Congressional candidates and one Senatorial candidate running, and that he would try and allocate in-kind support accordingly. I explained that federal candidates had to be weighted more heavily than state/local candidates.

NOTE: Although the audit revealed no federal activity during the period audited, it is possible that their GOTV activity exceeded \$1,000 for the 1978 election. If this is the case, then the violation would still hold water.

SUBJECT: Assorted problems (see telecon of 8/7 for more specific information)

Mr. Ploger returned my call today. After consulting with Peggy, Bobby and Dug about this matter, I decided the best course of action on my part was to 1) wait until the committee submitted its allocation of GOTV activity to federal candidates and 2) suggest the committee submit an AOR regarding possible termination with pre-75 debts outstanding.

Mr. Ploger said that he worked out an allocation formula last night and sent me a copy this morning. He said that he computed the committee's allocable federal activity to be around \$3,000. Mr. Ploger realizes that this would bring the committee under the jurisdiction of the Act.

I explained the procedure of filing AOR's to Mr. Ploger, and emphasized that this was probably the most feasible step in which to get an answer to situation #2, since RAD cannot answer the question at all.

I told Mr. Ploger that I would call him as soon as I had a chance to review the GOTV amendment which is en route to the Commission.

Dear Ms. Stolaruk:

In reference to your letter of July 16, 1979, regarding the GOTV expense, please find the breakdown and formula for the Federal portion of the expense.

For your information, lists of Federal and State candidates for each county involved and whose behalf the GOTV was conducted are enclosed.

The GOTV expenditures included costs of telephone banks, rent for space and staffing.

I hope this provides the information you need.

Sincerely,

Jim Ploger

September 14, 1979

W. E. Clarkson, Treasurer
Kansas Democratic State Committee
Holiday Inn Downtown, Suite 109
P.O. Box 1914

Dear Mr. Clarkson:

On July 19, 1979, you were notified that certain entries in the April 10 Quarterly, July 10 Quarterly, 10 Day Pre-Primary, October 10 Quarterly, 10 Day Pre-General, and 30 Day Post-General Reports of Receipts and Expenditures filed by your committee raised problems under 2 U.S.C. 441a.

As of this date, however, we have received no response from you. Your failure to respond gives the Commission reason to believe that you may have committed a violation of 2 U.S.C. 441a.

The Commission intends to take no action against you until you have had a reasonable opportunity to respond to this letter. This response should be mailed to the Commission within fifteen (15) days from the date of this letter.

If you have responded to the above or you require additional information, please contact Lisa Stolaruk, our Reports Analyst assigned to you on our toll free number (800)424-9530. Our local number is (202) 523-4048.

ADDENDUM

Kansas Democratic State Committee

In light of the outcome of the audit of KDSC, which covered the period January 1, 1976 through March 31, 1978, RAD was posed with questions regarding the federal status of the committee. Although the only apparent federal activity that was undertaken by KDSC occurred during the 30 Day Post-General reporting period, RAD decided to pursue the violation for the following reasons:

- 1) KDSC, being a registered filer, must be considered a political committee and thus ultimately accountable to the Act.
- 2) KDSC, having had outstanding debts since its date of registration (debts that are still outstanding) is ineligible for termination of its federal reporting requirements.

Accordingly, although RAD weighed and considered the committee's status before initiating action, it remains unclear as to whether or not the committee was a political committee, as defined by the Act, during the time in which the excessive contributions were received.

COMMITTEE: Kansas Democratic State Central Committee

PERSON SPOKEN TO: Jim Ploger (913)234-0425

FEC'R: Lisa Stolaruk

SUBJECT: GOTV activity-excessive individual contribution

On the basis of the committee's allocation formula of federal GOTV activity for the 1978 election, the committee appears to have been a political committee for that year. Thus, it is subject to the Act, and is under the obligation to return approximately \$5,000 to Robert Brock. I called Jim to inform him of this, and to alert him to the fact that the FEC just mailed a second notice. Jim understood the implications completely, but said that the committee has a balance of about \$900 now, and has many debts to pay off. I asked him when the committee can anticipate an increase in cash flow. He said ~~that~~ that they are ~~are~~ planning a fund raiser in early November, but do not expect any substantial income prior to that time. I asked that ~~he~~ he respond by letter when ~~he~~ he receives the 2nd notice, stating the committee's financial situation and their expected increase in money as a result of the fundraiser. I told him that this would clarify the Public Record, and would lend documentation to the fact that the committee is making a good-faith effort ~~at complying~~ to comply with the Act.
